DETAILED ACTION

Claim Rejections - 35 USC § 112

Claims 28-54 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 28, line 1, the word "it" is unclear as to what the Applicant is referring to. In claim 28, line 3, line 3, "the mantle" lacks prior antecedent basis in the claim. In claim 29, line 2, the phrase "advantageously mother of pearl" is unclear as to its meaning. In claim 36, line 1, work "it" is unclear as to which element the Applicant is referring to. In claim 39, line 2, the word "preferably" should be deleted. In claim 44, line 1, the word "it" is unclear as to which element the Applicant is referring to. Claims 45 and 46 appear to be merely functional language in that, no additional elements are being claimed. In claims 47 and 48, "the pharmaceutically acceptable support" lack prior antecedent bases in the claims. In claim 49, line 1, the word "it" is unclear as to which element the Applicant is referring to.
